RE: MOTION REQUESTING PUBLIC
MEETING WITH CORPORATION
COMMISSIONERS.

DOCKET NO. W-02824A-07-0388

IN THE MATTER OF THE APPLICATION OF ICR WATER USERS ASSOCIATION, INC.
FOR A PERMANENT RATE INCREASE.

BACKGROUND:

On June 26, 2007, ICR Water Users Association, Inc. (Company) filed with the Arizona Corporation Commission (Commission) an application for an increase in its permanent rates and charges.

On August 9, 2007, a Procedural Order was issued scheduling a hearing on January 8, 2008.

On January 8, 2008, a full public hearing was convened. At that time, I, as a customer of the Company, was granted intervention.

On February 15, 2008, Staff filed a Motion for an Extension of Time (Motion) until March 14, 2008, in which to file any amended testimony or an amended Staff Report.

On February 19, 2008, the Company joined in Staff's Motion and suggested the following changes to filing dates:

March 14, 2008 The Company to file rebuttal testimony and associated exhibits; and Staff to file amended Staff Report.

April 4, 2008 Mr. Taylor to file Surrebuttal testimony and associated exhibits.

April 11, 2008 Parties to file objections to any testimony and exhibits which have been pre-filed as of April 4, 2008.

April 16, 2008 Hearing; rejoinder testimony and associated exhibits to be presented at the hearing.

Mr. Taylor did not file a response to Staff's Motion.

1 On February 27, 2008, by Procedural Order, Staff's Motion was granted, and the
2 other filing dates modified as recommended by the Company.

3 On April 3, 2008, Talking Rock Golf Course, L.L.C. (TRG) filed a Motion to
4 Intervene. Therein, TRG indicated that TRG has a direct and substantial interest in the
5 proceeding. Neither the Applicant, Staff nor Mr. Taylor opposed TRG's intervention.

6 On April 3, 2008, TRG was granted intervention, and was ordered to file testimony
7 and exhibits by April 14, 2008.

8 On April 16, 2008, the hearing resumed with Commissioner Mayes in attendance
9 and the Company, TRG and Staff present with counsel. Mr. Taylor appeared on his own
10 behalf. Following public comment, counsel for the Company indicated that the parties had
11 begun to explore resolving certain issues in the proceeding and that they hoped to reach a
12 form of settlement in several weeks after which the Company would meet with its
13 customers and then file a request to reschedule the proceeding. The delay would also allow
14 Mr. Taylor time to resolve a medical issue.

15 On July 31, 2008, Mr. Taylor filed a motion to schedule a procedural conference
16 because no agreement had yet been reached between the parties.

17 On August 6, 2008, the Company filed its response to Mr. Taylor's Motion which
18 indicated that it anticipated reaching a draft agreement with TRG that would be submitted
19 to the other parties in approximately two weeks. After the draft agreement was circulated to
20 the parties, the Company was to file a request to establish a procedural schedule.

21 On August 13, 2008, Staff filed its response indicating that it did not object to Mr.
22 Taylor's motion.

23 On August 18, 2008, by Procedural Order, Mr. Taylor's motion was granted and a
24 status conference was scheduled on September 18, 2008.

25 On September 12, 2008, by Procedural Order, the status conference was continued
26 to September 25, 2006. The Company also filed a copy of a new Water Service Agreement
27 with TRG.

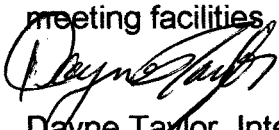

28 On September 25, 2008, the Company, TRG and Staff appeared with counsel. Mr.
29 Taylor appeared on his own behalf. Possible filing and hearing dates were discussed after
30 which it was agreed between the parties that the hearing should commence on December
31 1, 2008, at 10:00 a.m. with December 2 and 3 reserved for additional days of hearing, if
32 necessary.

1 **Intervenor Taylor hereby submits a request for public meeting:**

2 During the course of the scheduled status conference on September 25, 2008,
3 Judge Stern and Attorney Kevin Torrey stated that a meeting may be possible in the local
4 Prescott, Arizona, area thru the Consumer Support Services Section of the Commission.
5 Therefore, this is a formal request that a meeting be scheduled some time in the month of
6 November and held in a public location (for example, Yavapai County Fire Station 57). This
7 meeting would be for the purpose of allowing the Commissioners and Company
8 shareholders to openly review and discuss the details regarding the ramifications of the
9 scheduled Company rate hearing.

10 This meeting could be informational to the Commissioners in understanding more
11 fully the impact of the water rates that the Company shareholders are and will be obligated
12 to pay.

13 In the event some interaction is advantageous regarding selection or location of
14 meeting facilities, I am available except from October 16 to 26.
